

My name is Dana Sabbagh, and I'm the new Hebrew teacher at Torah High.

I am a credentialed Special Education teacher and taught for eight years in Israel, working with students who have special needs. I also led the Hebrew Language Program at Daliyot school in Yokneam, Israel, which included teacher training and development of Hebrew language materials for various educational levels.

My husband and I recently moved to San Diego with our two young children.

I'm excited to join the Torah High team and to be part of this wonderful community.
